SPORTS STADIUM DEDICATED

North High Field is Rebuilt

Friday, November 10, 1978 was a special night for all people associated with North and Central. It was the night for the dedication of the new sports stadium. This new stadium was made possible by a grant from the Federal Government. Total cost of the operation was 902,309 dollars.

Everyone there on that night can remember how crowded it was. Many people came to view the pre-game show performed by North and Central's marching band and the girls' squads. For all involved, it was an event never to be forgotten. Best of all the dedication was completed by a 66-38 romping of Central by our great Indian War Party!

MR. MCLEAN RETIRES AFTER EIGHT YEARS AS SUPERINTENDENT

On January 1, 1979, Mr. Richard P. McLean superintendent of the Binghamton City School District since 1970 retired. After eight years of hard work and long hours, Mr. McLean decided that he would rather spend more time with his wife than at the many night meetings of the school board which had been an important part of his schedule for so long.

Mr. McLean was born in New York City, October of 1920. He attended school at Lake View, East Rock and Long Island. During his school days, Mr. McLean enjoyed many of the same things we do now. He was active on his baseball, track, and football teams. He played football while attending Cortland State University. Mr. McLean was also capable of pulling college stunts. Once he drove his 1928 Model A Ford which he purchased for $26.00, off a bridge and lucky landed on all four wheels.

After college, Mr. McLean went into the army for three years. His most memorable moment was when he was returning from the war, standing on the victory ship coming from Cherbourg and seeing the water tower at Jones Beach and thinking about his buddies who left for war with him but did not return with him and he cried.

In the eight years that he has been Superintendent he feels that the students haven't changed much over the years. There are still the same problems as before.

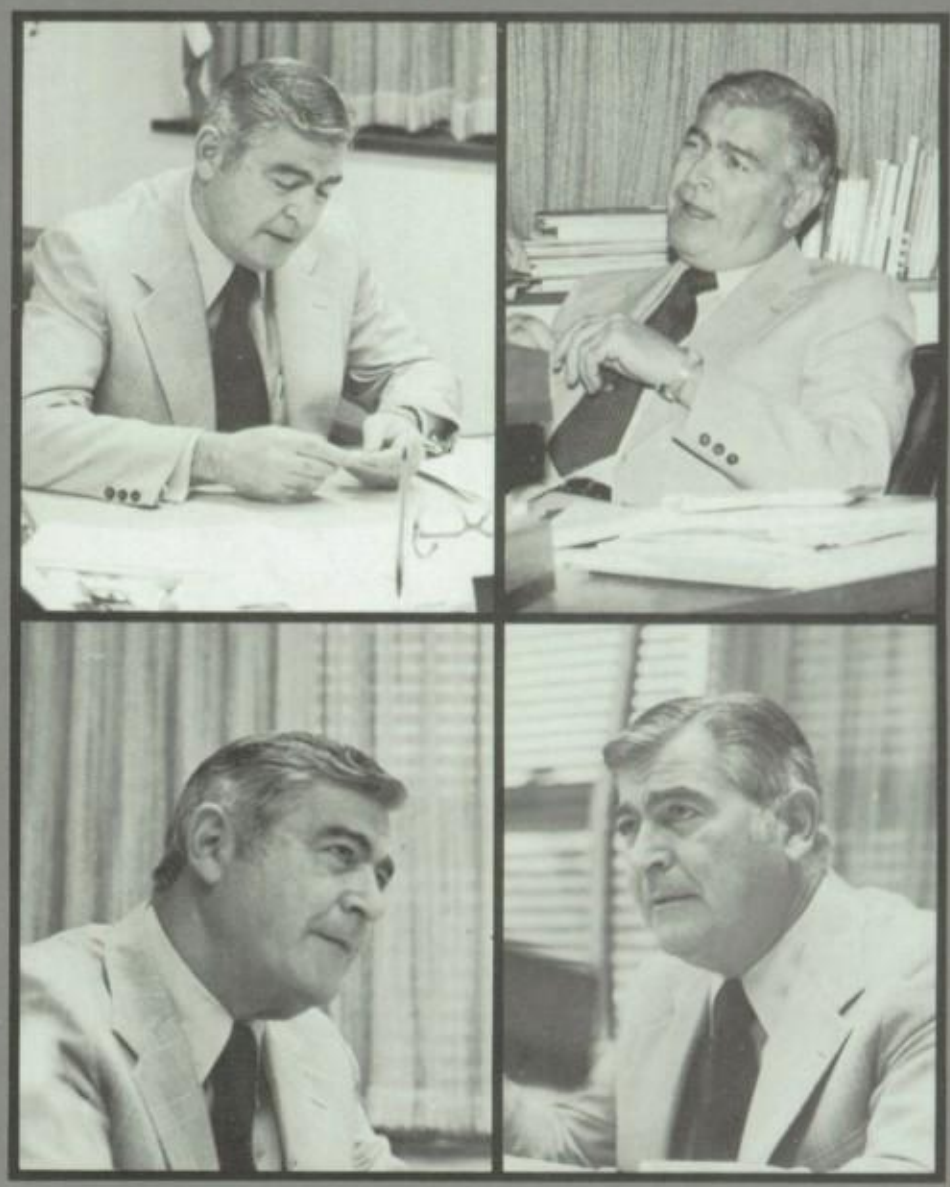
Before becoming Superintendent at Binghamton, Mr. McLean was principal at Ocean Side where he attended school as a child. He was also Superintendent in Endicott for 6 years.

Mr. McLean's most memorable moment as Superintendent here was when there was a racial uprising at East Jr. and he threw 13 students out of school, and their parents took him to court.

His comments on Binghamton are all positive. He loves the city and the people here "It's conservative, and a great place for kids to grow up." He also claims that the school district is one of the best in this part of the state. He is in favor of consolidation because there is a decline in the number of students in elementary grades. Financially it would be the answer.

His plans for the future are to be on the Broome County School Board and spend more time with his family. He will also have more time for his hobbies such as, sports, especially golf, music, and the performing arts both of which he greatly enjoys.

Mr. McLean, for your eight years of fine service to the Binghamton City School District, we at North High thank you.



DR. DAVID FULTZ BECOMES BINGHAMTON'S NEW SUPERINTENDENT

The Binghamton Board of Education announced Oct. 19 that Dr. David Fultz has been appointed Superintendent of the Binghamton City School District, effective January 1, 1979.

Dr. Fultz, 47, who was Superintendent, Bay City Public Schools, Bay City Michigan succeeds Mr. Richard P. McLean who has retired.

Dr. Fultz, who has 23 years experience in education, began his career in 1955 when he joined the Jackson Michigan School system as a teacher and athletic coach. In 1968, he was appointed Assistant Principal of Parkside High School, Jackson, Michigan and in 1970 served as Principal of Boyne City High School, Boyne City, Michigan.

From 1971-74, Dr. Fultz was Superintendent of Schools Twin Valley Public Schools, Boyne City, Michigan, and from 1974-77, he was Superintendent, Godwin Heights Public Schools, Wyoming, Michigan.

Dr. Fultz served two years in the United States Army. He served with the Medical Service Corps and while attached to the Post Surgeon's Office at Fort Lewis, Washington, conducted a special research project appeared in Armed Forces Medical Journal. Dr. Fultz has been published in several national and Regional Educational Journals such as: The Michigan School Board Journal, American School Board Journal, Athletic Journal and the Armed Forces Medical Journal.

A graduate of Michigan State University, Dr. Fultz was awarded a Master's Degree, Educational Administration at Michigan State in 1958. A Doctor of Philosophy Degree, Educational Administration, Michigan State University was awarded to him in December, 1975.

CHEERLEADERS SWEEP HONORS

Takes 7 awards at Lake George, go on to Grand National Championships.

Our cheerleaders attended the 1978 session of the United States Cheerleaders' Association camp at Lake George.

In the competitions, our cheerleaders felt that they had never done better. And they proved it by taking both 1st place awards. Individually, Corinne Colavito received a top 10 award, Eileen Hahahue took 4th, Maureen Kane won 3rd, and Linda Helstein, 1st. This accomplishment enabled the squad to compete in the Grand National Championships in Lansing, Michigan. Much time was spent in raising enough money, (3,500 to be exact), to go, plus additional hours of hard practice. Even with injuries, the Indian's cheerleaders made it to the semi-finals. All this team work and effort, brought the girls much closer together.

ANTONETTE MASCIARELI WINS 1978 NORTH HIGH FOOTBALL QUEEN

On Saturday, October 14, 1978 during the halftime show, everyone anxiously awaited the announcement of the 1978 football Queen. Ten people especially were listening to the speaker. They were: 1. Kim Subik and Marty Stack, 2. Debbie Kinch and Jack Denines, 3. Jill Moss and Tim Reilly, 4. Annette Reggerio and Alex Paulmari, 5. Antonette Masciarelli and Mike Gill.

The band played, and the speaker took a breath and finally announced, "The Football Queen for 1978 is . . . Antonette Masciarelli!" The crowd cheered. Karen Segre gave up her crown and Antonette Masciarelli tearfully, but happily accepted her reign.

BLOOD DRAWN BLOOD MOBILE STUDENT COUNCIL PROJECT

On Jan. 18, the student council sponsored a blood drive in cooperation with the Broome County Blood Mobile. There were 52 volunteer blood donors of which 42 pints were accepted. This was the best drive for North High since October, 1976.

BOOSTER CLUB

OVER

$22,000

CONTRIBUTIONS TO SCHOOL ACTIVITIES SINCE 1965

The North High School Booster Club has been providing service to the school in a variety of ways. Through Fund raising such as sponsoring the Circus, organizing Football programs, Donkey Basketball, and running the concession stand at football games, the Club has been able to raise a considerable amount of money all of which has been directly returned back to the School in the form of Grants to Clubs and Teams. Whether it be helping to purchase uniforms, sending Students to Camp, or buying all types of supplemental equipment, the Booster Club has been there to help. We combined with Post 1645 to purchase a weight machine and the large amount of money to redo the sound system in the auditorium. In 1979, we donated $1500 to the purchase of a second weight machine for the students use. We are always in need of Parents and Student Members and need your support.

WE NEED YOU AS MEMBERS NOW!!!

Last year 1977 Daddy and Grandma and I went to Disney World where dad took this picture of me and Pinocchio. (#1)
This year 1978 Daddy and I went to Niagara Falls (=2). The view of the American Falls from the Skylon Tower was beautiful.
The walk down the Cave of the Winds to the bottom of the Bridal Falls was breathtaking and wet. (#5)
While we were there we went to Old Fort Niagara where Dad (#4) and I took turns defending the Fort against the British.
Even this heap big pow wow (#6) could not bring about an Indian victory over U.E. Me thinks they was considering lifting the scalps of the extra five Tigers on the field wearing black and white stripes.

Specifications: 1979 Wampum is printed on white Double Coated Enamel #80. The cover is a special design, blind embossed on brown material #331P. The endsheets are a special designed screened in brown 041. The basic type styles used are optima for body copy and #59 for headings, additional specifications are available upon request. The yearbook design is original, any resemblance to another is purely coincidental, published by Taylor Publishing Co., Dallas, Texas.

The 1979 Wampum Staff worked long and hard hours in putting this edition of Wampum together. Despite lack of enthusiasm from some staff members, the deadlines were met. Planning for this years edition started in May of last year. The whole book was designed by the end of school last summer. Production started with the beginning of school in September. We met our first deadline October, 6th. That was really going some; but we saved money that way, which could be spent somewhere else.

Persistent rumors of a late book kept our sales down. Books are cheaper when more are ordered. We hope that the student body will give us more support next year, so that we can include more special features. In spite of all, we believe that we have put out a well designed book of interest, we have kept the color, gone to a larger format (much more expensive), and have added a supplement which means more and better coverage of spring activities.
